

*Cobb County...Expect the Best!*

## **COBB COUNTY DEPARTMENT OF TRANSPORTATION**

### **NANCE ROAD Safety and Operational Improvements Project No. D6160**

**Public Information Open House  
October 4, 2007**

- BACKGROUND:** The purpose of this project is to provide safety and operational improvement and to reduce congestion.
- PROJECT LIMITS:** The limits are from Acworth Due West Road. to Main Street (Old US 41).
- PROJECT LENGTH:** Project length is approximately 0.9 miles.
- PROJECT SCOPE:** The project consists of safety and operational improvements including widening lanes to standard widths, adding curb, gutter, and sidewalks on one side. It also includes replacing the existing load-limited, flood prone bridge at Butler Creek. The new bridge will be located parallel to the existing bridge. The existing bridge will continue to be used during construction and a road closure will not be necessary.
- PROJECT SCHEDULE:** Right-of-way will begin in 2008. Construction will begin in 2009 and the approximate duration is 9 months.

*This project is funded by the 2005 SPLOST (Special Purpose Local Option Sales Tax).*
